1. The following is an examiner's statement of reasons for allowance:

All prior art of record does not teach or suggest a method or apparatus that includes identifying an address portion of a first message in an address slice of a switch, the first message associated with a first priority, the address portion of the first message including a first routing portion specifying a network resource; identifying an address portion of a second message in the address slice, the second message associated with a second priority, the address portion of the second message including a second routing portion specifying the same network resource; identifying a non-address portion of the first message in a non-address slice of the switch; identifying a non-address portion of the second message in the non-address slice, wherein neither of the non-address portions includes a routing portion specifying the network resource; selecting, independently in each slice, the same one of the first and second messages based on the first and second priorities; transferring the address portion of the selected message to the network resource specified by the routing portion of the address portion of the selected message; sending the routing portion of the address portion of the selected message from the address slice to the non-address slice; transferring the non-address portion of the selected message to the network resource specified by the routing portion of the address portion of the selected message.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
